24 May 2021

Alexandra Atkins appointed as Non-executive Director

Ms Atkins is a highly experienced mining engineer and geologist whose skills will be invaluable as the Company ramps up construction of its Coburn mineral sands project in WA

Strandline Resources Limited (ASX: STA) is pleased to advise that it continues to strengthen and diversify its Board with the appointment of Alexandra Atkins (Alex) as a Non-executive Director.

Ms Atkins is a Mining Engineer, Geotechnical Engineer and Geologist with over 30 years' of experience in the mining industry in Australia and PNG.

Ms Atkins has held several executive roles including Senior Mining Engineer for AMC Consultants, District Inspector of Mines for the WA Department of Mines and Petroleum, Principal Mining Consultant for Optiro and Chief Operating Officer at PETRA Data Science.

Ms Atkins has an MBA (Finance) from the Australian Institute of Business, is a Chartered Professional Fellow of The Australasian Institute of Mining & Metallurgy (The AusIMM) and Fellow, National Registered Engineer and EngExec of Engineers Australia. Alex has extensive non-executive director experience with ASX 200 listed Perenti Global Limited (ASX:PRN), International Women in Mining (IWIM) and formerly The AusIMM as well as various social purpose not for profits. Alex is also the Founder of her own mining risk and innovation consultancy.

Strandline Chair Didier Murcia said: "We are delighted to welcome Alex to the Strandline Board as we ramp-up construction of our flagship Coburn mineral sands project. Her extensive mining experience combined with her knowledge in governance, risk management and sustainability will broaden and strengthen the Board's experience and expertise. Strandline is focussed on continuing to provide shareholders with balanced representation, harnessing diversity and maintaining the highest standards of governance and sustainability."

This announcement is authorised for release by the Strandline Resources Board of Directors.

ABOUT STRANDLINE

Strandline Resources Limited (**ASX: STA**) is an emerging developer of heavy mineral sands with a portfolio of 100%-owned development assets located in Western Australia and within the world's major zircon and titanium producing corridor in East Africa.

Strandline's strategy is to develop and operate high margin, expandable mining assets with market differentiation and global relevance in the sector.

Strandline appoints Alexandra Atkins as Non-executive Director

Strandline's project portfolio contains high quality assets which offer a range of development options and timelines, geographic diversity and scalability. They include the world-scale Coburn Project in WA, currently under construction, and the exciting Tanzanian growth projects Fungoni and Tajiri.
